

# Pumps & Pumping Specialties

Municipal, Industrial, HVAC

Expansion compensators  
Expansion joints  
Flexible pump connectors  
Pipe guides  
Vibration isolators

All stainless steel wet end pumps  
Base mount, and close coupled  
Full line replacement parts  
Sewage ejectors, controls and trim  
Specialty transfer pumps  
Sump, Effluent and Sewage

Boiler feed and Condensate Pumps  
Full line replacement parts  
Vacuum pumps

Full line parts  
Probe type pump & tank controls, alarms

Basket strainers to 14"  
larger sizes on request  
Boiler and process float and  
level valves

Chemical pumping system  
Condensate pump packages  
Full line parts  
Specialty pumps  
Sump and dewatering pumps

MARSHALL ENGINEERED PRODUCTS CO.

Base mounted and close coupled pumps  
Boiler feed and Condensate Pumps  
Full line replacement pumps  
In-line circulators and pumps  
Pressure powered steam condensate  
pumps  
Regenerative turbine pumps

Chem-Tech pumps  
Full line parts  
Mec-O-Matic chemical pumps  
Pulsafeeder "Pulsatron" pumps

Condensate and Boiler Feed Pumps  
Vacuum pumps  
Deaerators and custom receivers

Air, dirt separators

Backflow preventers  
Gate, butterfly and ball valves  
Mainline P.R.V., check valves and  
strainers  
Pump bypass valves  
Altitude and level valves  
Combination valves  
Commercial, Industrial, and  
Municipal applications  
Engineering and custom fabrications  
Factory authorized emergency  
parts and stocking warehouse  
Float control valves  
Full line parts in stock  
Minimum pressure valves  
Pressure relief and sustaining  
Pump mainline P.R.V., check  
and rate-of-flow valves  
Solenoid operated valves  
U.L. listed fire pump valves

## Replacement Parts in stock for:

Armstrong  
Bell & Gossett  
Grundfos  
Taco

**In-house Pump Facility  
to Build & Repair Your Pumps**  
Factory authorized warranty repairs
